

# ITR Ripper Shanks

**Built Tough with premium steels to perform right in extreme working conditions**

**ITR Ripper Shanks are precision fabricated from the finest high quality steels including Hardox, wear resistant materials with a hardness of up to 400 HBW and are available for a wide range of manufacturers.**

- ... Manufactured from Premium Steels.
- ... Properly Heat Treated for Maximum Strength.
- ... High Quality Abrasion Resistant Materials.
- ... Superior Resistance to Breakage or Ripping Damage.
- ... Highly Resistant to Impact Damage.
- ... High Tensile Strength.

**Listed below are a few of the popular part numbers we stock...**

Part #	Description	Weight LB	Type
1073485	D8K, D9H Single Shank Ripper	1035	SS
1073486	D8K, D9H Deep Ripping Shank	1330	DR
1182140	D10R/T Single Shank Ripper	1575	SS
4Z9312	D11N Single Shank Ripper	4089	SS
4Z9314	D11 Single Shank Ripper	2123	SS
8E0467/1049277	D11N Single Shank Ripper	2173	SS
8E1466/1049275	D11N Deep Ripping Shank	2675	DR
8E5339	D9N Single Shank Ripper	918	SS
8E5340	D8L, D8N Deep Ripping Shank	943	DR
8E5342	D8L Single Shank Ripper	772	SS
8E5345	D9H Multi Shank Ripper	691	MS
8E5346	D8N, D9N Multiple Shank Ripper	644	MS
8E5347	D8N/R/T Single Shank Ripper	785	SS
8E5348	D9N Deep Ripping Shank	1119	DR
8E8411	D10N Single Shank Ripper	1374	SS
8E8412	D10 Single Shank Ripper	1806	SS
8E8413	D10, D11N Multiple Shank Ripper	1252	MS
8E8414	D9L, D10N Single Shank Ripper	1375	SS
8E8415	D9L, D10N Multiple Shank Ripper	975	MS
8E8416	D9L, D10N Deep Ripping Shank	1515	DR
8E8417	D10N, Deep Ripping Shank	1575	DR
